REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County :

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of the County Farm, Jailer, Clerk of Court, County Attorney, Sheriff, Chaplains, Physician and County Extension Service.

Due to the increase in County Farm and Court expenses, as well as in some of the other departments, it became necessary in December for the Commissioners to borrow \$10,000 on a short term note and at the same time request an emergency appropriation from the Executive Committee of the Delegation, to meet the 1960 obligations. They authorized the Commissioners to use any unexpended balance. This amounted to \$38,805.39 and all but \$1,949.89 of this amount was used. There was a surplus of \$28,805.39 from the budget to apply toward this emergency appropriation.

The Register of Deeds office in the Woodsville Court House has been completely renovated and equipped. The five year indexing was started this year but not yet finished.

The new forms required in the Probate office for which the Delegation appropriated \$5,000 in 1959 were received this year, cost of same amounting to \$3,664.55.

The general condition of the County Farm and buildings is good, improvements and repairs being made as needed. It was necessary to have a boiler retubed at a cost of \$1,378.14, an enclosure of a stairwell constructed in the hospital at a cost of \$1,827.00 and major repairs to the water main, cost of same \$1,475.39.

We wish to express our appreciation to our staff of

employees, the County Delegation, the various county and town officials and the State Welfare Department for their continued cooperation.

Respectfully submitted,

All receipts, as recorded in the cash book, were properly accounted for by the Superintendent through deposits to the credit of the County Treasurer's account in the Woodsville National Bank.

A classified summary statement of receipts and expenditures of the County Farm for the year 1959 is presented in Exhibit G.

General Comments

This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

Gentlemen:

In accordance with the provisions of Chapter 71, Section 27, of the Revised Statutes Annotated, an examination and audit of the accounts of Grafton County Cooperative Extension Service has been made by the Division of Municipal Accounting of the State Tax Commission. The audit covered the fiscal year ended December 31, 1959. Submitted herewith is the report which includes Exhibits as hereafter listed.

Vouchers supported by invoices and travel expense reports were examined and compared with cancelled checks and entries in the cash disbursement record. Totals of receipts and expenditures were verified and closing balances reconciled with statements rendered by the depository bank.

It is noted that a substantial cash balance is maintained from year to year as indicated herewith:

Balance—December 31, 1955—	\$4,919.71
December 31, 1956—	\$5,559.04
December 31, 1957—	\$4,781.65
December 31, 1958—	\$2,097.05
December 31, 1959—	\$4,876.75

The procedure generally followed relative to cash balances is to reduce the total amount of the budgetary appropriations by the amount of the cash balance at the close of the year to determine the amount neces-

sary to be raised as part of the County Tax.

The accounts and records were found to be in good condition and the accounting procedure conformed to prescribed methods as established by the over-all State Extension program.

We extend our appreciation and thanks to the office staff for the assistance rendered during the course of the audit.

The hay and corn crops of 1960 were average. Garden crop was very good making it possible to do a record amount of canning and freezing. We had an unusual amount of strawberries.

The farm has continued to improve during 1960. Greater production, increased butter fat average, better status of animals in grade and health. We recently sold the high dollar cow at the Durham N. H., sale at \$850.00.

The sire committee has continued to be a great asset to our dairy program. The Bull Bank has served us well, besides serving this county and it is growing steadily.

We have been very fortunate to have the help and guidance of the Grafton County Extension Service.

One major repair was a partition constructed within the hospital adjacent to the stair well at the North entrance. We were forced to do major repair to the water main and retube one of the boilers.

The usual necessary repairs were made, including plumbing and painting in the Almshouse and Jail.

Our Christmas party was a success due to the generosity of the people in this county. We wish to extend our appreciation and thanks to all who have made the residents and patients here happy with gifts and visits.

In closing we wish to extend our appreciation to the County Commissioners, County Physician, Chaplains, Occupational Therapist and employees for their kind cooperation during the year.

Respectfully submitted

Eighty-eight (88) suicides, fatal accidents and other unattended deaths were reported and investigated with autopsies being authorized in thirteen (13) cases.

The Grafton County Law Enforcement Officers Association met on three occasions during the year at which meetings valuable programs were presented through the arrangements made by the officers of the Association—John L. Farnham, President; Everett Berry, Vice President; Ben Thompson, Secretary-Treasurer; and Bernard Gray, Sergeant-At-Arms.

Two medical referee's inquests were held during the

year inquiring into the circumstances surrounding two unattended deaths.

At the present time there is no litigation pending against Grafton County.

Grafton County is involved in litigation as party plaintiff wherein the County has brought suit against Viola Parker to recover partial payment by way of reimbursement for County aid rendered to her children. This action was commenced at the January Term, 1960, and there is presently under attachment in the Lebanon National Bank, the sum of \$2,500. The case has been continued for notice and presumably will come forward for hearing either at the January or April Term of the Superior Court.

I wish to take this opportunity to express my sincere appreciation for the cooperation and fine efforts in the interests of law enforcement made by all of the law enforcement agencies in the county.

Respectfully submitted,

WILLIAM F. BATCHELDER

Grafton County Attorney

CHAPLAINS' REPORTS

To the Commissioners of Grafton County:

If the soldier does not prove his love and devotion to his country by good works, what right has he to wear the uniform? If the Minister of God does not prove his love and devotion to his Master by good works, what right has he to wear the clerical collar?

The occasions for practising extraordinary acts of virtue daily are rare; it is easy to do the little acts either because the opportunity is more frequently presented, or perhaps because of the ease with which they are done. The good God is a generous Father. He rewards His children for even a drop of water given to a neighbor in His Holy Name.

The opportunity then to administer to the patients of the Grafton County Home is one of the many blessings in my humble work in this acre of the Lord's vineyard. The priest of the New Law has the power to place in the heart of the sick, or the aged, or the lonely, the seed of the good Word, and soon, through God's mercy and grace, he sees the tender fruit thereof: resignation, courage, peace, and faith.

I salute Mr. and Mrs. Kenneth Cota for their good and kindly stewardship—the Grafton County Staff can be proud of them.

Sincerely,

REV. WARREN J. REGAN

North Haverhill, N. H.
27 January, 1961

To the Commissioners of Grafton County:

As Protestant Chaplain for the Grafton County Almshouse and House of Correction, I wish to submit this report, which includes only the period of time be-

tween 1 June and 31 December, 1960. On 1 June, 1960, I succeeded the Rev. Wesley R. Berman who had previously served as Protestant Chaplain.

The work which the Protestant Chaplain has done can be divided into three basic categories: conducting worship services, pastoral visitations and pastoral counseling. Concerning the first (conducting worship services), these have been bi-weekly religious services held in the Chapel. A real effort has been made in "drawing" in the congregation and to let them feel that they are very much a part of the service, and that their contributions are solicited and welcome. In response to this, several in the attending groups have offered solos, readings, recitations and the like, which all contribute to this goal.

Concerning pastoral visitations and pastoral counseling, I would wish to report that these have been, in the main, at the request of one of the residents or his family. Several incidents have occurred within families of the residents and these families have requested that their kin be called upon. There are other occasions, however, in which it has been feasible for the Chaplain to make general calls upon the residents primarily for social or general religious purposes. Pastoral counseling has occurred within the bounds of our Almshouse and House of Correction, but always with the knowledge and approval of the Superintendent and/or Matron.

I would also wish to take this opportunity of thanking Mrs. Ethel Little and Miss Wanda Clough (both of No. Haverhill) for their assistance in making the worship services meaningful. These two ladies have been the pianists for our religious services.

I would also wish to express my appreciation to Superintendent and Mrs. K. W. Cota for the cooperation, guidance and assistance which they have given to me. I feel that the close liaison which exists between

the Chaplain and the Superintendent and Matron is noteworthy and affords every opportunity of an appreciated and meaningful Chaplaincy.

To the residents and staff, I salute for their interest and concern for each other. I feel that the total-program which all participate in is wholesome and stimulating for all. I do appreciate the cooperation which has been given to me.

Respectfully submitted,

GERALD E. KNIGHT

Protestant Chaplain

REPORT OF THE COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I hereby submit my report for 1960.

Since last year the much needed wire-glass enclosure at the top of the stairwell and an exhaust fan have been added. This is a marvelous improvement in regard to noise, odors and safety of patients. There is much more that is urgently needed, such as a fire escape from the sun porch, considerable remodeling in the surgical section, and new furniture in patients' rooms.

The hospital is busier than ever before. In 1960 there were 9,465 patient days, and 4,007 out-patient visits, totalling 13,472. In 1951 there were 6,913 patient days and 1,420 out-patient visits, making a total of 8,333. In other words, the work load has nearly doubled in this period.

The industry and faithfulness of the employees, under the capable direction of Mrs. Evelyn Bigelow, R.N., has made it possible to give excellent care to patients despite frequently over-crowded conditions. Only a lack of space has kept the patient load from being even larger.

It is also interesting to note that hospital income rose from \$11,391 in 1951 to \$47,429 in 1960, and hospital expenses from \$18,241 to \$40,959.

New regulations in regard to licensing, not only of the hospital, but of the remainder of the institution will necessitate considerable financial outlay during 1961 for capital improvements. This coming year the inmate section must be licensed by the N.H. Department of Public Health for the first time. This will require the supervision of a registered nurse for all admissions and rendering of personal care to inmates. Therefore the nursing staff must be increased to cover this expanded service.

We anticipate that 1961 will be busier than ever before in the hospital, and, as in the past, we shall appreciate the cooperation of all concerned.
